

Higasa Sachi...

Answerer

Speaking of which, isn't Higasa-dan the Gaiden representative?

I,

Oh!

"Dengekai" is hard!

That didn't change, even after entering high school...

That's not true!

Not only is she smart, she's also a beauty. Isn't that against the rules?

I've never been interested in another person in my life...

Abstract

A
handcane
otaku

I forgot
to bring the
manga I
borrowed.

Pigyaaaaah!

Right after
morning
school, the
villain goes

What was
with that
strange
scream?

The real
name "Denge-
chan"

He
said?

no story
just lots
simultaneous
close-ups
of their
faces

an out-
dated
hair
style

The eyes
of an ele-
mentary
school kid

She started
to draw
such lovely
images in
front of
others

Toyosaki is an unknown being to me.

Never
doing
anything
properly
and always
failing...

Even
so...

?

The
complete
opposite
of myself.

Rather

What
on
earth

why
can't
who's
out-
standing

is that
expression
?

so
annoyed
whenever
I see that
expres-
sion?

I smiled
bitterly
when I
watched
the
smiling

A little
manga
with really
good
humor
as well

Isn't this
"The
Forgotten
Manga -
Japane-
san"?

That's
what
it's
called

I watched
many things
before
of the
time
when I
was
a kid...

Oh?

You under-
stand my
past?

Small
brother?

Y...

Yeah!

Sanada-
san is a Manga
with "Goryu-
san"?

Sanada-
san is
a Manga
too?

That's the
first time
I've seen
him talking
to you

Higasa-sensei.

First,
let's see
that memo.

You,
a potential
member of
ours, need to
have more
confidence.

Really—

What's with
the "sensei"?

But I won't
let you decide
what my
future is.

He doesn't
seem to be
worrying
much.

I see,
I see...

Here...

Is that
so...?

Thank
you
very
much.

Absolutely
perfect.

An
excellent

The story
and dialogue
are good
and well
integrated.

The technique
used and style
shown are so
good that it is
hard to believe
it is from new
script.

But
how should
I say...

!

You're just
flat your work
too perfect.

Oh,
I understand.

The works of Mr.
Hansen, who just
started working
for our company,
could be used
for reference.

Let's
first only
see how
a bit.

Could you
write a
comment?

After
that.

What
you need to
understand
now is the
feeling of
the work.

For
example.

Can
I join?

What?

Yeah,
it's already too
late for it, I'm
afraid...

Oh,
okay...

My school
will probably
choose a
sports club
right?

U-
uh...

The
club...

It's
kidding,
even the
school club...

Art and
Music club?

Design-
making club?

But?
Then,
the Cultural
club?

and read this
to everyone!

Now
allow me,
Senade
Tikurei

to act as the
class repre-
sentative

Da..!

I can't that
going a bit
far?

During
middle
school

Senade
enjoyed making
friends while
bullying others

Heh?

He's doing
it again

Does he enjoy such a small sense of superiority that much?

"Nice Luch!"

What an idiot.

Laugh!

"Boom—"

But

I don't pay her

Because the vents can only hope to secretly blend into their surroundings

"I want to use the power of love to rescue everyone!"

Finally...

Love is victory!

Love—

マコ—ル!

I can't remember reading something so beautiful

What—

I won't
give up.

because I love
drawing manga
more than
anything.

Then...

Oh, is that
it?

I'll keep it.

Haha...

Now you
can't draw
anymore,
right?

And it took
so much
effort...

to draw it
properly...

What you
want to do
is your own
business.

I don't
care that
Toyotaka...

is being
killed!!

This isn't the first
time I've thought

that death's very
real thing...

However!!

destroy what
others have
worked hard
to create!!!

I can't
forgive
those
who

Please join
the manga
research
club with
me!

What?

That
is —

Oh! my god,
Higashimura Sensei.

The girl
called
Toyotama
Alice.

Regrettably,
that was our
first contact.

Maya,
I declare.
